THE CANTAMAR BOARD OF DIRECTORS ADOPTED THE COMMUNITY OF HARBOR ISLE OWNERS' ASSOCIATION COMMUNITY ARCHITECTURAL COMMITTEE RULES AND STANDARDS.

THE COMMUNITY STANDARDS ARE NOT ENCLOSED, AS YOU SHOULD HAVE RECEIVED THEM UPON THE PURCHASE OF YOUR HOME OR, IF RECENTLY REVISED, WITH THE MOST RECENT COMMUNITY BUDGET.

Also attached are the most current Architectural Resolutions, adopted by the Board, specifically relating to Cantamar and may not be stated in the Community Standards.

IMPORTANT NOTE - Upon the purchase of your home, you became contractually obligated to abide by the standards adopted by the Cantamar Homeowners' Association.

Any Architectural matter (including back yard landscaping) requires the Community Architectural Committee's approval, prior to commencement of work. If you need an Architectural Application, please contact the Community Office.
