

PROMONTORY
HOMEOWNERS ASSOCIATION

PARKING POLICY

Garages shall be used only for parking of motor vehicles, boats and trailers, storage and workshop purposes. No parking is allowed on vacant lots and on the private streets within PROMONTORY as they are considered fire lanes and must be kept clear at all times with the exception: loading and unloading, deliveries and auto washing. Owners should advise their guests to park on Sea View Parkway. Owners with additional vehicles should also park on Sea View Parkway.

Vehicles found parking on the private streets or vacant lots will be ticketed and towed, without prior notice, at the vehicle owner's expense.
