

BAY COLONY PAINT PALETTE

You may use any brand of paint as long as it matches the color associated with the Dunne Edwards paint identification number listed. The color depicted on your screen or printed from your printer is an inaccurate representation of the approved color. Colors that do not match the Dunn Edwards color as reflected in the paint identification number are not approved and will be considered a violation of the paint application. CHBIOA is not responsible for inaccurate color choices. Please visit your local paint store to request and compare paint chips, brush outs, and/or samples of paint colors with the approved Dunn Edwards colors.

Dunn Edwards paints are produced to match the color chip as accurately as possible; however, variations in types of products, gloss, texture, lighting and adjacent colors can cause a difference in appearance between the color of the chip and the color of the applied paint. Critical color matches should be applied to the building, allowed to dry, and checked before proceeding with the entire job.
